

PULL UP IN STYLE

Tempo and Tempo 2+2 transports guests around your resort, college, or corporate campus in style without compromising on price, quality, or comfort.

EASE OF USE AND REDUCED MAINTENANCE COSTS

Maximize vehicle uptime and quality with Li-Ion batteries

The Tempo Lithium Ion battery was developed for the automotive industry. We built on that foundation to deliver an innovative battery with automotive-grade safety and performance features designed to save you time and money.

YOU FOCUS ON THE VEHICLE

Club Car's new Lithium Ion vehicle provides best in class range, performance, and safety while delivering lower total cost of ownership. The AC Lithium Ion battery system provides operators confidence in achieving reliable cars for every task at hand.

THEY FOCUS ON THE JOURNEY

An independent front suspension system and comfortable, ergonomic seats provide a smooth ride for up to 4 passengers, keeping the focus on your guest experience.
